About the Work

Dance on Tray and Drum, is inspired and choreographed from the Chinese classical music and dance Pangu Dance of the Han dynasty. This dance is originated from the western regions of China, Xinjiang, and transmitted into Chinese empire. In this dance, female dancers step on the drums and show their elegant bodies and skillful movements. The beautiful rhythm and the dancing create rich dynamics and a color combination of flying, galloping and leaping images.

About the dance/
Sacred, alluring, ambiguous, pleasurable, miserable, soul exploring. Do not be trapped between action and stagnation but release upon God's stage of eternity.

Forbidden Love

About the dance/
Forbidden love.
Follow your heart?
Or obey others' will?
An endless mystery.
