Dear Prof. Hwang:

I am pleased to inform you that your manuscript,

"Adaptive Modification in Agonist Common Drive After Combined Blood Flow Restriction and Neuromuscular Electrical Stimulation TNSRE-2024-01031.R1,"

has been accepted for publication IEEE in Transactions on Neural Systems & Rehabilitation Engineering. Your paper will be published in the next open issue after all production processing has been completed. Your paper will be available for electronic review and download from IEEE Xplore soon after all requested material has been received.

IMPORTANT!

Please upload files via the IEEE Author Portal here: <https://ieee.atyponrex.com/journal/tnsre-embs>

After you complete your final files submission you'll be redirected to the IEEE Electronic Copyright form (eCF). You will go through the steps to complete your copyright and once it's complete, you will receive an e-mail confirmation with your copyright attached.

Help TNSRE Promote Your Published Article:

****When your paper posts on Xplore, we will help you promote it. To this end, we ask that you compose two social media posts about your research. Your posts should be sent to managertnsre@gmail.com with "MY POSTS" in the subject line. Please also upload your posts here (this is for posting on all the EMB social media channels: <http://bit.ly/embssocialmediaform>**

****Remember to wait until your paper posts on Xplore to send the posts/upload the information for the EMB social media accounts. Otherwise, we won't be able to link to your paper.****

Thank you for choosing to publish your work in IEEE Transactions on Neural Systems & Rehabilitation Engineering. We look forward to receiving future contributions from you.

Sincerely,

Helen Huang
Editor-in-Chief, IEEE TNSRE
